Hesperian Boulevard

CORRIDOR IMPROVEMENT PROJECT

FREQUENTLY ASKED QUESTIONS

When will construction begin and how long will it last?

The corridor improvements including wider sidewalks, upgraded traffic signals, resurfaced streets, landscaped median islands, buffered bicycle lanes, gateway features, street tree planting, and landscaping will begin in October 2020. All construction work is scheduled to be completed by Spring 2022.

How will construction impact my business?

The Public Works Agency is committed to minimizing the construction impacts. Whenever possible, access to all businesses will remain. Signs will be posted to facilitate access to businesses during construction.

The Project Contractor will coordinate with each property owner/resident to ensure access to their property is maintained during construction. The public can call (510) 670-5591 with concerns related to construction impacts.

Will cars be able to access my business easily when the project is completed?

Yes, patrons will continue to enjoy access to your business. The existing left-turn and U-turn access along Hesperian Boulevard will not change. The ability to access your business from Hesperian Boulevard will remain unchanged. Right turns will also be maintained.

Will construction take place during holiday season?

No construction activities will be conducted during the time period from Thanksgiving to New Year's Day.

Will residents and businesses be informed before construction starts?

Residents and business owners along Hesperian Boulevard will be notified in advance of all construction activities in their areas.

Who will maintain the new landscaping and street trees being installed?

Landscaped medians will be maintained by the Public Works Agency. Street trees will be installed in many of the sidewalk areas. However, in accordance with the County's Tree Ordinance, property owners are required to maintain a quality neighborhood, which includes maintaining trees within the sidewalk area after the plant establishment period.
