

CONTRACTOR'S INQUIRY RESPONSES**GUARDRAIL REPLACEMENT ON TESLA ROAD AT VARIOUS LOCATIONS
IN MURRAY TOWNSHIP, ALAMEDA COUNTY, CALIFORNIA
SPECIFICATION NO. 2427**

The responses to contractors' inquiries, unless incorporated into a formal addendum to the contract, are not a part of the contract and are provided for the contractor's convenience only. In some instances, the question and answer may represent a summary of the matters discussed rather than a word-for-word recitation. The responses may be considered along with all other information furnished to prospective bidders for the purpose of bidding on the project. The availability or use of information provided in the responses to contractors' inquiries is not to be construed in any way as a waiver of the provisions of section 2-1.07 of the Standard Specifications or any other provision of the contract, the plans, Standard Specifications or Special Provisions, nor to excuse the contractor from full compliance with those contract requirements. Bidders are cautioned that subsequent responses or contract addenda may affect or vary a response previously given and any such subsequent response or addenda should be taken into consideration when submitting a bid for the project. Inquiries must be submitted by the deadline specified in the project Special Provisions.

This document will be continuously updated. It is the contractor's responsibility to check for updates.

UPDATED (7-7-2022):

Inquiry No.	Inquiry	Response
1	Please clarify which bid item the removal of the existing guardrail / end treatments & posts is paid for under. This is not found in the Special Provisions.	Addendum No. 1 was issued on June 23, 2022, which included the replacement of page SP 261, where removal of existing guardrails was included in Clearing and Grubbing.
2	There is no bid item for temporary K rail that may be needed at shoulders where new embankments are to be constructed	Addendum No. 2 was issued on July 5, 2022, which included bid items for Type K Temporary Railing, Temporary Crash Cushion (Array TS11), and Temporary Stripes.
