General Project Description

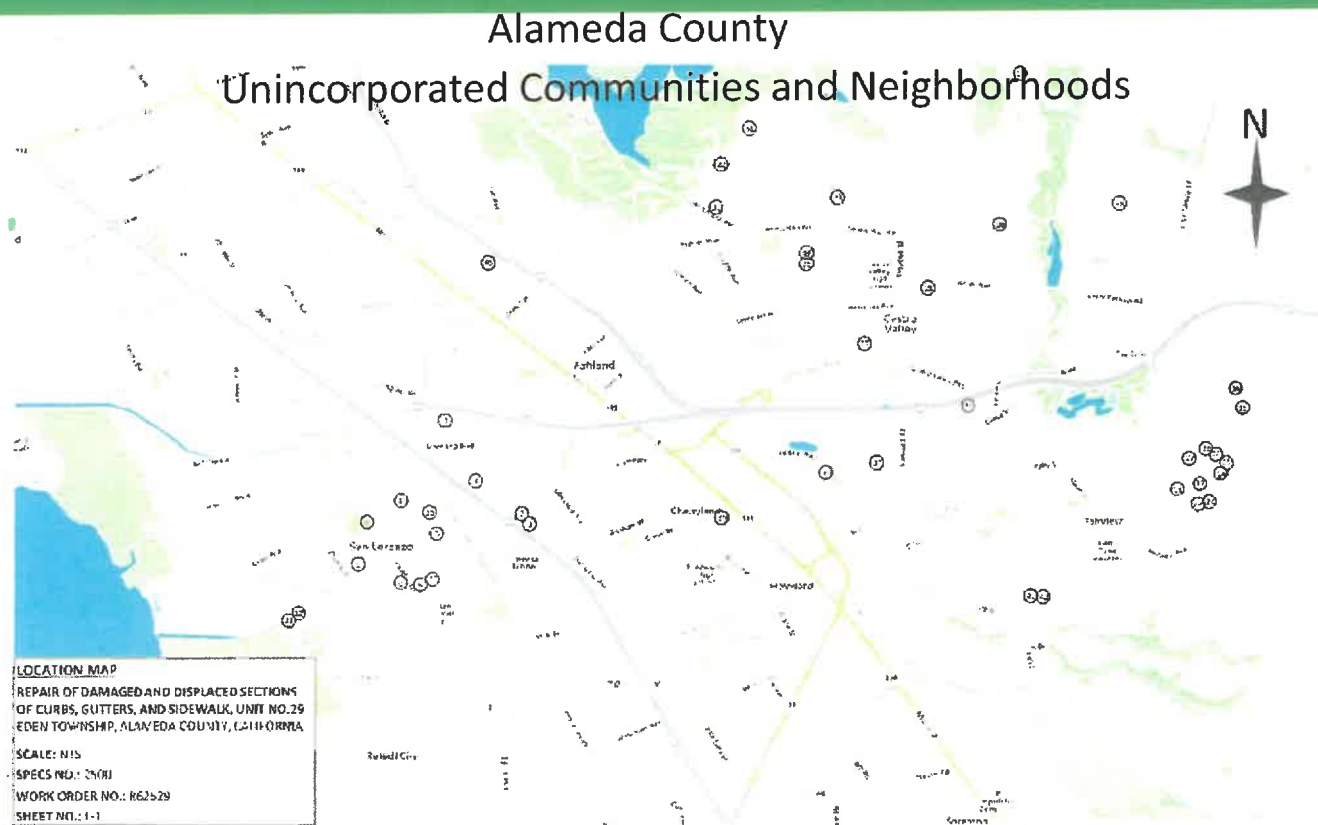

Project Locations

- Forty-three (43) locations in Castro Valley, San Lorenzo, and unincorporated areas of Hayward and San Leandro in Eden Township.

Scope of Work

- Provide and implement traffic control plan and construction area signs. Notify and coordinate with property owners
- Saw cut and remove damaged sections of concrete curbs, gutters, and sidewalks
- Reconstruct damaged portions of concrete curbs, gutters, driveways, driveways and walkway conforms, pedestrian ramps, median island paving and curbs
- Replace a minimum of twelve (12)-inch wide section of asphalt concrete pavement adjacent to gutter
- Remove existing roots, install root barriers and restore any disturbed lawn and planting areas to their original condition or better
- Miscellaneous works, including removal of concrete forms, disposal off-site of all unsuitable materials, and cleanup of site.

“PRE-BID QUESTIONS”

Submit pre-bid questions by email at least five (5) business days before the bid opening date to both: davidl@acpwa.org and amberl@acpwa.org

Questions received and the corresponding answers will be posted online at:
<https://www.acpwa.org/business/add-bidder-info.page?>

Contract and Labor Compliance (Jami Conley)

- **Labor Code Requirements**

- Prevailing wage is applicable to all PWA projects
- Elation Systems is the web-based system that contractors and subcontractors are required to use on a weekly basis for the submission of certified payroll.

- **Contract Compliance**

- Elation Systems is also utilized to monitor subcontractor utilization. Contractors are required to upload all payments made to their subs.
- DIR: All bidders (prime and subcontractors) who bid on a public works project must be registered with the Department of Industrial Relations by the date of bid opening. \$300 ANNUAL FEE.
- Alameda County Public Works Agency strongly encourages the participation of disadvantaged/minority/women-owned business enterprises in all District capital improvement construction projects.

Business Outreach (Sheldon Jefferson)

DOING BUSINESS WITH US

Alameda County Technical Assistance Program

Merriwether & Williams (Johanna Le-Penn)

- **Contractor Technical Assistance Program (CTAP)** assists small and local contractors
 - Identifies and Shares Alameda County's construction contracting opportunities
 - Provides technical assistance including certification assistance, one-on-one training, workshops, and seminars
 - Offers bonding assistance for qualifying projects up to 40% of the bond amount or \$750,000, whichever is less
 - Works with prime and subcontractors and will work with primes to meet their Small Local Emerging Business (SLEB) or ECOP requirement
- CTAP is sponsored by the General Services Agency (GSA) and administered by Merriwether & Williams Insurance Services
- To be eligible for CTAP contractors must be Alameda County SLEB Certified
