

**CONTRACTOR’S INQUIRY RESPONSES**

**The Slurry Seal Resurfacing of Portions of  
Various Roadways in the Unincorporated Areas of  
Alameda County, California**

The responses to contractors' inquiries, unless incorporated into a formal addendum to the contract, are not a part of the contract and are provided for the contractor's convenience only. In some instances, the question and answer may represent a summary of the matters discussed rather than a word-for-word recitation. The responses may be considered along with all other information furnished to prospective bidders for the purpose of bidding on the project. The availability or use of information provided in the responses to contractors' inquiries is not to be construed in any way as a waiver of the provisions of section 2-1.07 of the Standard Specifications or any other provision of the contract, the plans, Standard Specifications or Special Provisions, nor to excuse the contractor from full compliance with those contract requirements. Bidders are cautioned that subsequent responses or contract addenda may affect or vary a response previously given and any such subsequent response or addenda should be taken into consideration when submitting a bid for the project. Inquiries must be submitted by the deadline specified in the project Special Provisions.

This document will be continuously updated. It is the contractor’s responsibility to check for updates.

1	With the East County and W. Sunset projects advertised today Alameda County has four (4) projects bidding on April 7th. This will be very challenging for all contractors involved given other projects already schedule to bid that week. We respectfully request the County considering moving at least two of these projects to the week of 4/13 or later.	No changes to the projects’ bidding schedules are anticipated at this time.
