On-Call Traffic Engineering Services
RFP No. RAO20211196
Addendum No. 1
February 1, 2022
Questions

1. On page 8 of the RFP, item g) request that we provide a sample Technical Memorandum of a Traffic Engineering Study. We have one to present but has a large appendices. We are concerned about the traffic engineering report increasing the size of our proposal document. Would you consider us having to provide that separately on a flash drive? In that case we can provide two or three samples.

Please include the actual report in the body of the proposal. The appendices of the report may be submitted on a flash drive attached to the proposal. Lastly please limit the number of sample to one.

2. We noticed that Attachment D, Appendix D has a watermark on the form. Will the County provide a 'clean' version or can we use the version with the watermark?

Please see attached for a “clean” version of the document.
