The Permittee is responsible for notifying the Inspection Office listed on the back of this form.

INSPECTION REQUIREMENTS

- All encroachments authorized by this Permit shall be subject to inspection by a District representative.
- The planned inspections will be performed by the County office(s) designated below; **unless otherwise indicated, it shall be the Permittee's responsibility to notify the designated office(s) – prior to the start of the encroachment.**

Case 1:- The work described in this Permit must be inspected and accepted by the District. Contact the Permit Inspection Office at 670-5591 to arrange for the required tests and inspections.
--

Case 2:- The work described in this Permit must be inspected and accepted by the District. Contact the Grading Inspector at 670-5402 to arrange for the required tests and inspections.

Case 3:- Some or all of the work described in this Permit must be inspected by the following representative of the District:
--

Case 4:- Notification of the District is not required.
--

- If the face of this Permit is marked to indicate that the assigned District Work Order is open for charges, a job account will be opened and the assigned inspectors will charge the actual cost of all required tests and inspections against this account. All cost overruns must be resolved prior to close-out of this Permit. Any underruns will be returned to the Permittee as soon as possible following the close-out.
