

ALAMEDA COUNTY PUBLIC WORKS CAPITAL IMPROVEMENT PROJECTS ROAD PROJECTS

PROJECT TITLE: Arroyo Road Bridge Replacement at Dry Creek
SITE/LOCATION: Arroyo Road at Dry Creek

PROJECT DESCRIPTION	PROJECT LOCATION MAP/PHOTO
---------------------	----------------------------

Existing 2-lane bridge located at Arroyo Road at Dry Creek is considered functionally obsolete, lacking shoulders. The project plans on replacing the existing 21.5' wide bridge and 4' wide wooden pathway with a new 46' wide (2-12' lanes, 2-4' shoulders, 1-8' class 1 bike trail, and 3-2' barriers) bridge.

ALAMEDA COUNTY PUBLIC WORKS CAPITAL IMPROVEMENT PROJECTS ROAD PROJECTS

PROJECT TITLE: Castlewood Drive Bridge Replacement
SITE/LOCATION: Castlewood Drive at Arroyo de la Laguna

PROJECT DESCRIPTION

PROJECT LOCATION MAP/PHOTO

Existing 2-lane bridge located at Castlewood Drive at Arroyo de la Laguna adjacent to the Castlewood Golf Course is considered functionally obsolete lacking shoulders and structurally deficient. The project plans on replacing the existing 24' wide bridge with a new 36' wide (2-12' lanes, 1-4' shoulder, 1-6' golf cart shoulder, and 2-2' barriers) bridge.
