County Arborists maintain the authority to monitor and inspect work to insure compliance with the Alameda County Tree Ordinance
(Sec. 12.11.120B)

All tree work is to be done in accordance with the *International Society of Arboriculture Tree Pruning Guidelines* and the *Standard Practices for Tree Care Operations: Tree, Shrub, and other Woody Plant Maintenance* (ANSI A300) and must be performed by a licensed contractor. Tree topping or "heading back" a street tree is not permitted under the Alameda County Tree Ordinance
(Sec. 12.11.160).

This permit shall be valid for a period of one year from the date of issuance.
I agree to comply with all of the provisions, conditions, and other requirements of this Permit:
Signature of Applicant: _____
