

Crow Canyon Road

PAVEMENT REHABILITATION AND SAFETY IMPROVEMENTS

Work to begin Summer 2024

Work to be performed is pavement reconstruction from MM 5.25 to county line including guardrail replacement, centerline rumble strips, culvert replacement, and signing and striping. Roadway will be closed to through traffic, and local traffic will be accommodated through flagging operations.

Additionally, night work will be performed between 4/21 – 5/3 and be restricted to the hours of 8:00 P.M. to 4:30 A.M. Night work is being performed in an effort to alleviate any issues for local traffic during the daytime commute.
