Alameda County Public Works Agency Announces Hesperian Boulevard Corridor Improvement Project

Unincorporated Alameda County – The Hesperian Boulevard Corridor Improvement Project between the 1-880 overcrossing (near Embers Way) and A Street kicked off in October 2020 and is scheduled to be completed in Fall 2022. Work will take place Monday through Friday, between the hours of 7:00 a.m. and 5:00 p.m. Construction is being alternated between the westbound and eastbound directions. During construction, motorist may experience detours and minor traffic delays.

When completed, the project will beautify and revitalize the Hesperian Corridor with an inviting streetscape. Major improvements along Hesperian Boulevard are designed to benefit motorist, residents, businesses, pedestrians, and bicyclists.

Project Features

- Widened Sidewalks with Aesthetic Elements
- Class II Buffered Bicycle Lanes with Green Pavement Treatments
- Community Gateway Features
- High Visibility Crosswalk Treatments
- Fiber Optic Conduit
- Roadway and Pedestrian Lighting
- Pavement Rehabilitation
- Transit Priority System
- Adaptive Traffic Signal Control Technology
- Streetscape
- Artwork

The Hesperian Boulevard Corridor Improvement Project is a part of the Alameda County Public Works Agency's (ACPWA) Capital Improvement Program. *ACPWA strives to enhance the quality of life for the residents and businesses of Alameda County by providing safe and accessible public infrastructure, including roadways, bridges and flood control facilities. For more information, visit the website at www.acpwa.org, call the construction hotline at (510) 670-5591 or email info@acpwa.org.*
