CORRIDOR IMPROVEMENT PROJECT

FREQUENTLY ASKED QUESTIONS

When will construction begin and how long will it last?

The work to underground the utilities Corridor will begin in March 2019. Following utility undergrounding construction of the corridor improvements including wider sidewalks, upgraded traffic signals, resurfaced streets, landscaped median islands, buffered bicycle lanes, gateway features, street tree planting, and landscaping will begin. All construction work is scheduled to be completed by Spring 2022.

How will construction impact my business?

The Public Works Agency is committed to minimizing the construction impacts. Whenever possible, access to all businesses will remain. Signs will be posted to facilitate access to businesses during construction.

The Project Contractor will coordinate with each property owner/resident to ensure access to their property is maintained during construction. The public can call (510) 670-5591 with concerns related to construction impacts.

Will cars be able to access my business easily when the project is completed?

Yes, patrons will continue to enjoy access to your business. The existing left-turn and U-turn access along Hesperian Boulevard will not change. The ability to access your business from Hesperian Boulevard will remain unchanged. Right turns will also be maintained.

Will construction take place during holiday season?

No construction activities will be conducted during the time period from Thanksgiving to New Year's Day.
