SOMERSET AVENUE

PROJECT OPTIONS

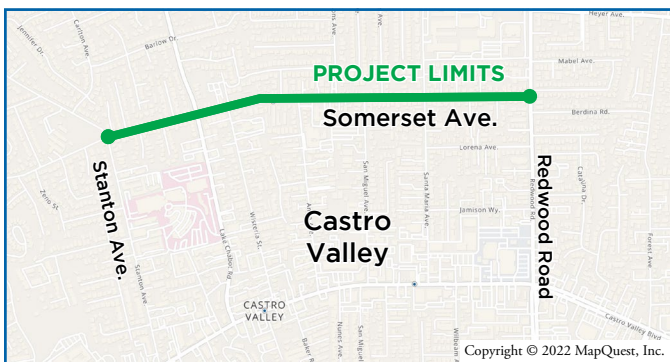

You are invited to provide input to the Board of Supervisors **Transportation and Planning Committee** in selecting the preferred project option.

Option 1: Keep existing on-street parking on both sides of the street. Install shared lane markings for bicycles (**Class III bikeway**).

Option 2: Remove on-street parking on one side. Install **Class II bike lanes** on both sides.

Option 3: Remove on-street parking on both sides. Install **buffered Class II bike lanes** on both sides.

The Somerset Avenue Sidewalk Improvement Project extends from Stanton Avenue to Redwood Road in Castro Valley where new concrete sidewalks will be constructed. The project is intended to improve pedestrian and bicycle access to Castro Valley High School, Castro Valley Elementary School, Our Lady of Grace School, and the Castro Valley Downtown area.
