PROJECT OVERVIEW

The Norbridge Ave – Strobridge Ave Circulation Improvement Project is located in the unincorporated Castro Valley area in Alameda County adjacent to the Interstate 580 / Interstate 238 interchange (see Exhibit A attached for location map). This project includes various infrastructure improvements to improve traffic circulation and regional connectivity in the area.

When completed, the project will provide a number of operational and safety enhancements to the community:

- Reduce traffic congestion
- Improve air quality
- Provide alternative connection to Castro Valley BART Station
- Improve safety for all road users

PROJECT FEATURES

- New concrete sidewalk, curb and gutter
- Traffic Signal Improvements
- Class II bike lanes
- Installation of curb ramps
- Stormwater drainage improvements
- Stormwater runoff treatment
- High visibility crosswalks
