Alameda County Public Works Agency Revitalizes East 14th Street Capital Corridor

Unincorporated Alameda County – Construction to revitalize the East 14th Street Capital Corridor is in progress from 162nd Avenue to the vicinity of 1-238. Work will take place Monday through Friday, between the hours of 7:00 a.m. and 5:00 p.m. During construction, one lane will remain open to motorist in each direction and an enclosed walking path will be in place for pedestrians.

This 18 month long project is scheduled to be completed in Fall 2021. When completed, residents, community members and businesses, will enjoy safety features and enhanced opportunity for walking, biking, and riding public transit, as well as an improved driving experience.

Project Features

- New sidewalks
- High visibility crosswalks
- New bike lanes
- Intersection bulb-outs
- Raised curb medians
- Pavement resurfacing
- Pedestrian scale street lights
- Street trees
- Stormwater treatment system
- Utility undergrounding
- Fiber optic conduit
- Bus boarding island
- Decorative street furnishings
- Bike racks
- Public art

The project is a part of the Alameda County Public Works Agency's (ACPWA) Capital Improvement Program. *ACPWA strives to enhance the quality of life for the residents and businesses of Alameda County by providing safe and accessible public infrastructure, including roadways, bridges and flood control facilities. For more information, visit the website at www.acpwa.org, call the construction hotline at (510) 670-5591 or email info@acpwa.org.*
